

Move Planning

Stop worrying about your move and let our dedicated **Move Managers** handle all the details

- Make it easy for you to decide what to keep based on your goals
- Help you plan where everything will go in your new home
- Recommend highly rated movers and review their estimates with you so you'll know what to expect
- Direct and supervise your movers on pack and move days, even if you can't be there
- Make all arrangements for selling, donating or hauling what you no longer want

Move In and Home Set Up

Let our team of **Relocation Specialists** get you fully unpacked and set up in as little as 3 days* – less if you are moving to a senior residence

- Carefully unpack all boxes and hang, fold or store all clothing and accessories
- Make beds, set up bathrooms, bedrooms, living, dining and home office areas
- Display your home décor to make your new house feel like home
- Breakdown boxes and packing paper to ensure nothing gets overlooked
- Hang your framed art or set up personal electronics (additional fee applies)

*Based on an average 2-bedroom/2-bath home

Home Organizing

When you feel stressed by your mess, our **Home Organizers** will quickly and carefully unclutter your home

- Organize your bedroom, living, office or storage areas including your garage
- Transport donated household items to local charities
- Recommend and shop for furniture or space-saving solutions tailored to your needs and budget
- Learn easy ways to stay on top of your most important tasks and paperwork
- Pack household items when you are preparing for a home improvement project*

*We suggest using licensed movers to pack your fragile and high value items when relocating

“Lis and her team were extremely organized and went above and beyond what we expected. They were patient and sensitive in a situation that was emotionally charged.”
